Founded in 1887, the Ogden-Weber Chamber of Commerce (OWCC) is a nonprofit organization dedicated to advancing business and community prosperity in northern Utah. Based in Ogden, the Chamber represents 900+ organizations in 15 cities and unincorporated areas in Weber County.

The OWCC hosts more than 100 events annually that bring together hundreds of local professionals and community leaders. Sponsoring these events positions your business as an engaged member of the community and allows you to network face-to-face with potential partners and clients.

Let’s discuss how an event sponsorship can help your business make connections while contributing to the growth and prosperity of our community.
